

Disability Confident Accreditation

the clear company

helping talent shine through

The Department of Work and Pensions insists that all their providers now attain, as a minimum, Level 2: Disability Confident Employer.

The Clear Company, as a developer of the programme and a **Level 3: Disability Confident Leader**, can help you achieve this goal.

Gaining Level 1

Committed status -
Price **FREE** includes:

- Free expert support and telephone advice from our Disability Confident team on how to identify gaps and suggest areas for improvement. We will help you to improve your policies and procedures and begin the planning for your progression to level 2 status
- Access to discounted rates for the online Clear Learning Disability Basics course

Gaining Level 2

Employer status - Price
£1,000 + VAT includes:

- Expert support with completion of your self-assessment including help in key areas about getting, keeping and developing the right people for your business
- Provision of a detailed self-assessment review prior to submission including identification of areas to develop
- Telephone Advice Line support from our Disability Confident team
- Access to discounted rates for the online Clear Learning Disability Basics course

Gaining Level 3

Leader status - Price
£2,000 + VAT includes:

- Expert support with your Disability Confident Self-Assessment external validation
- Tailored support to analyse the current position of your organisation using learner, employer and staff surveys
- Full analysis of Level 3 evidence to ensure it meets requirements
- Telephone Advice Line access
- Five free places for staff to attend the online Clear Learning Disability Basics course and access to discounted rates for additional staff

Contact **Jen Davidson** to learn more and get started on your path to accreditation.
